## Friendship

I thank you for the times you cared  
And all the moments that we shared  
I thank you for the memories  
A friend to me you'll always be.

I thank you for your tenderness  
That fills each day with happiness  
A joy that lasts eternally  
A friend to me you'll always be.

I thank you for just being there  
And all the things you had to bear  
And though there are times we don't agree  
A friend to me you'll always be.

I thank you for the gift of love  
A gift that's sent from Heaven above  
A love that is of purity  
A friend to me you'll always be.

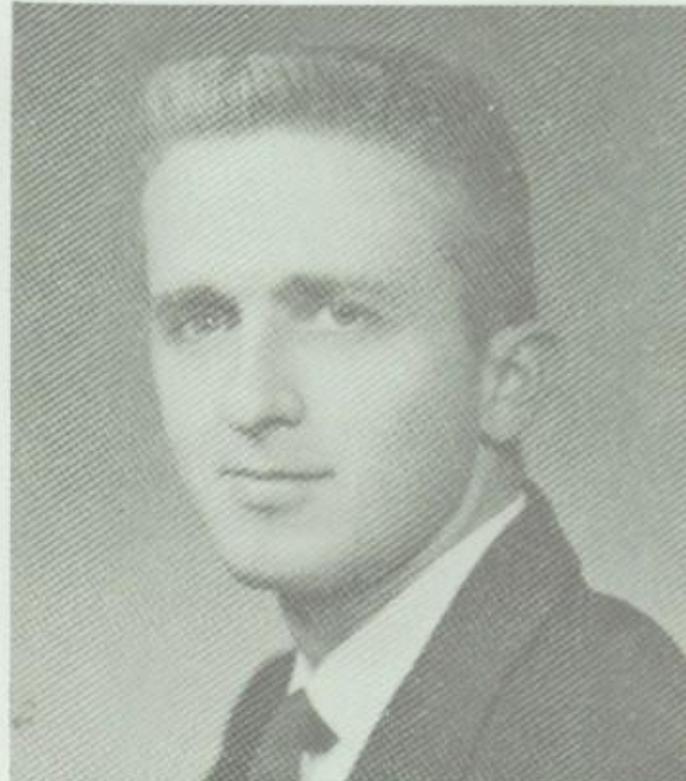

I thank you for the things I see  
And what our friendship shows to me  
I'll thank you for eternity  
A friend to me you'll always be.

# SHARING A COMMON Style

# THE AFTER SCHOOL OCCUPATION

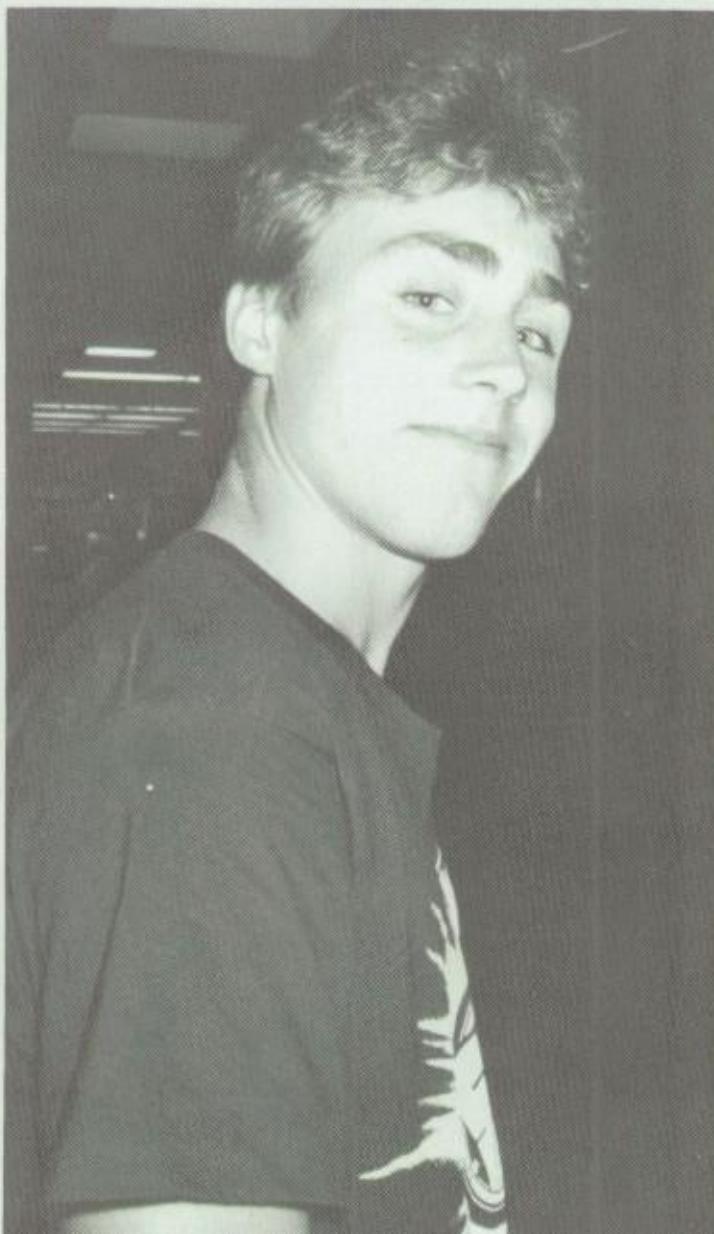

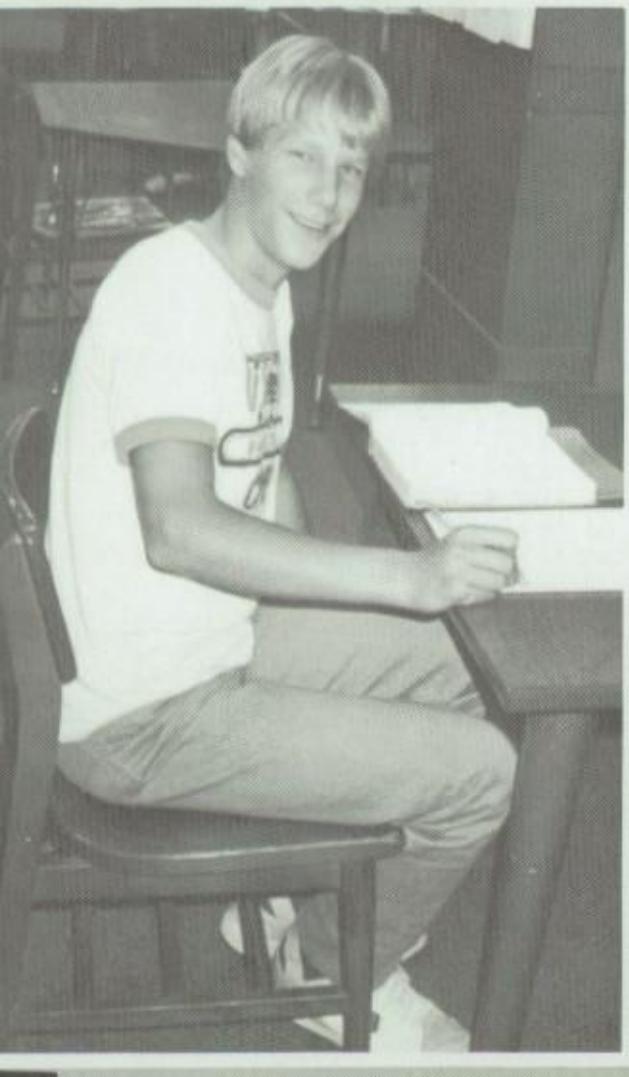

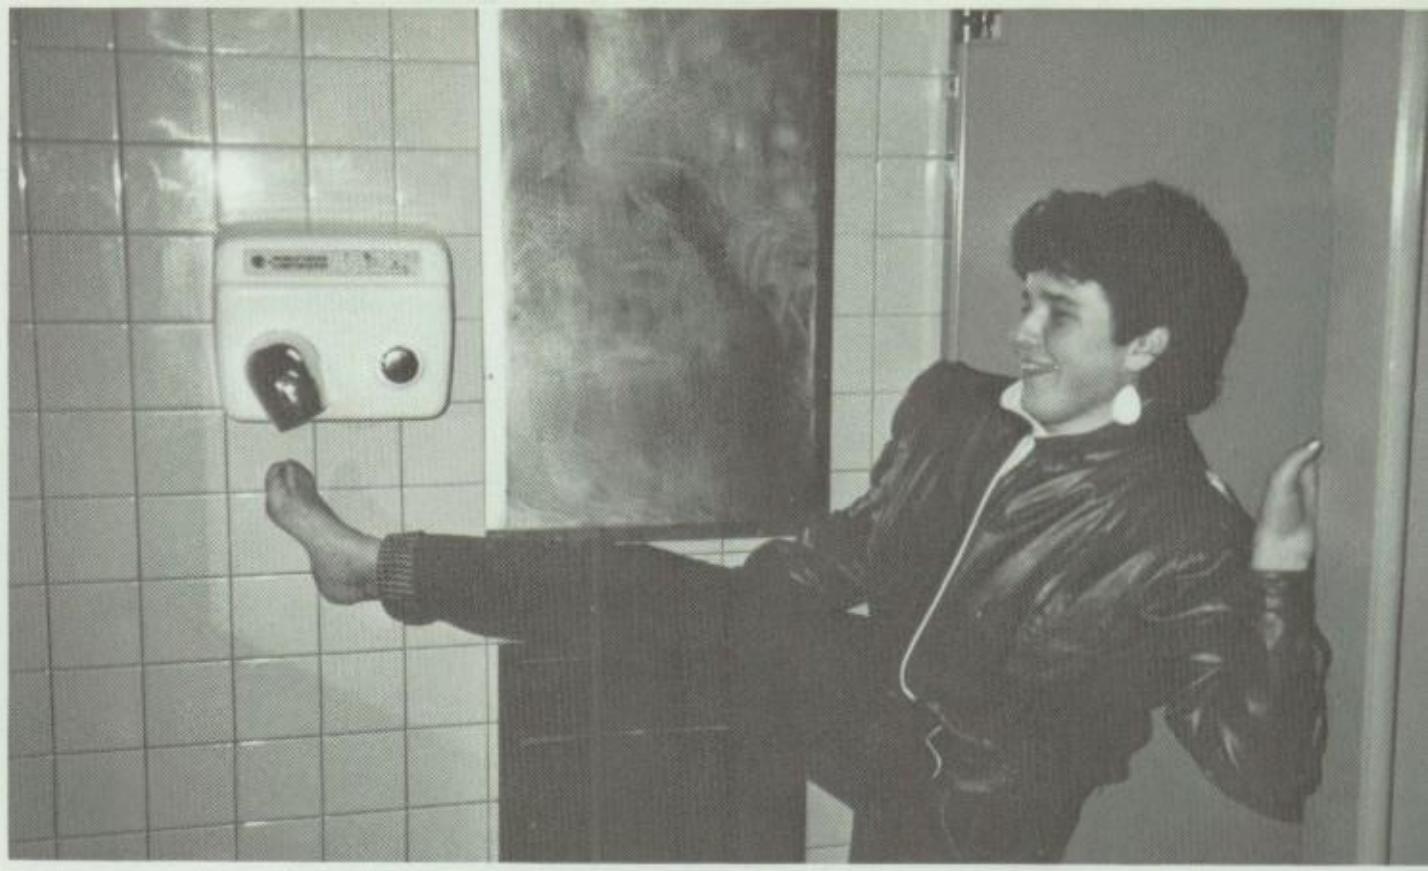

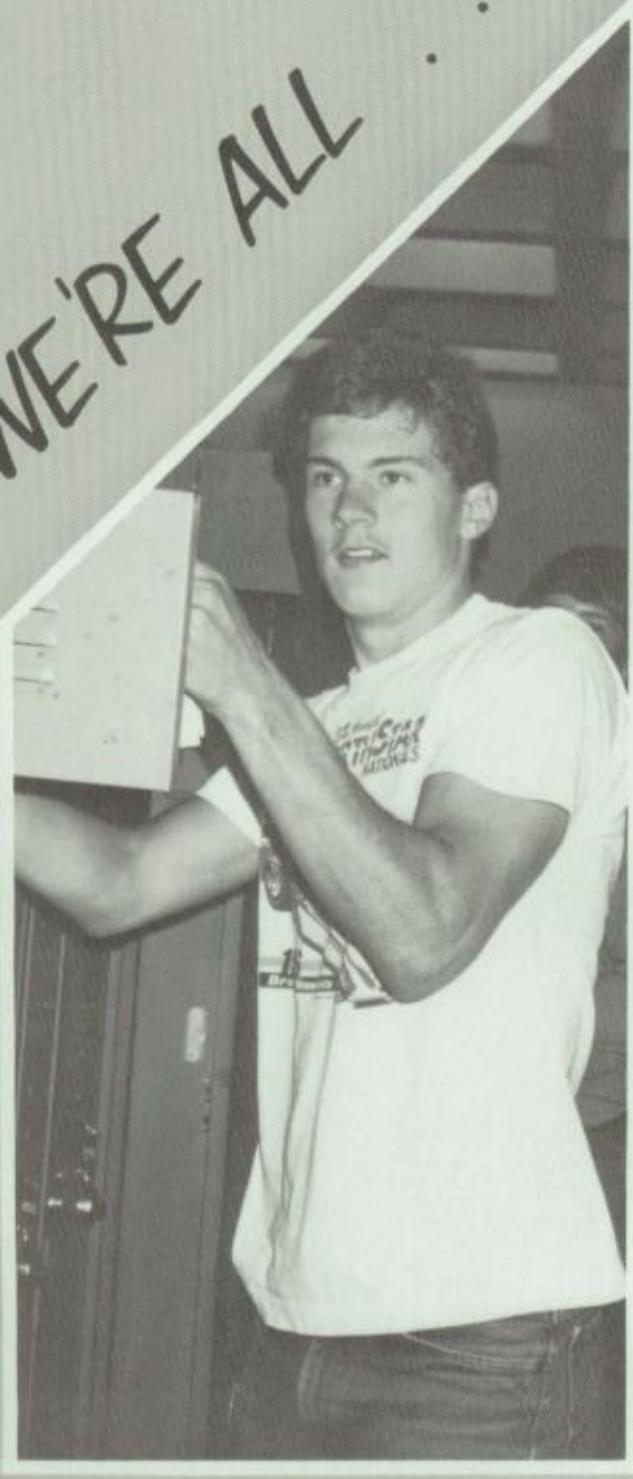

# FUN WITH FRIENDS

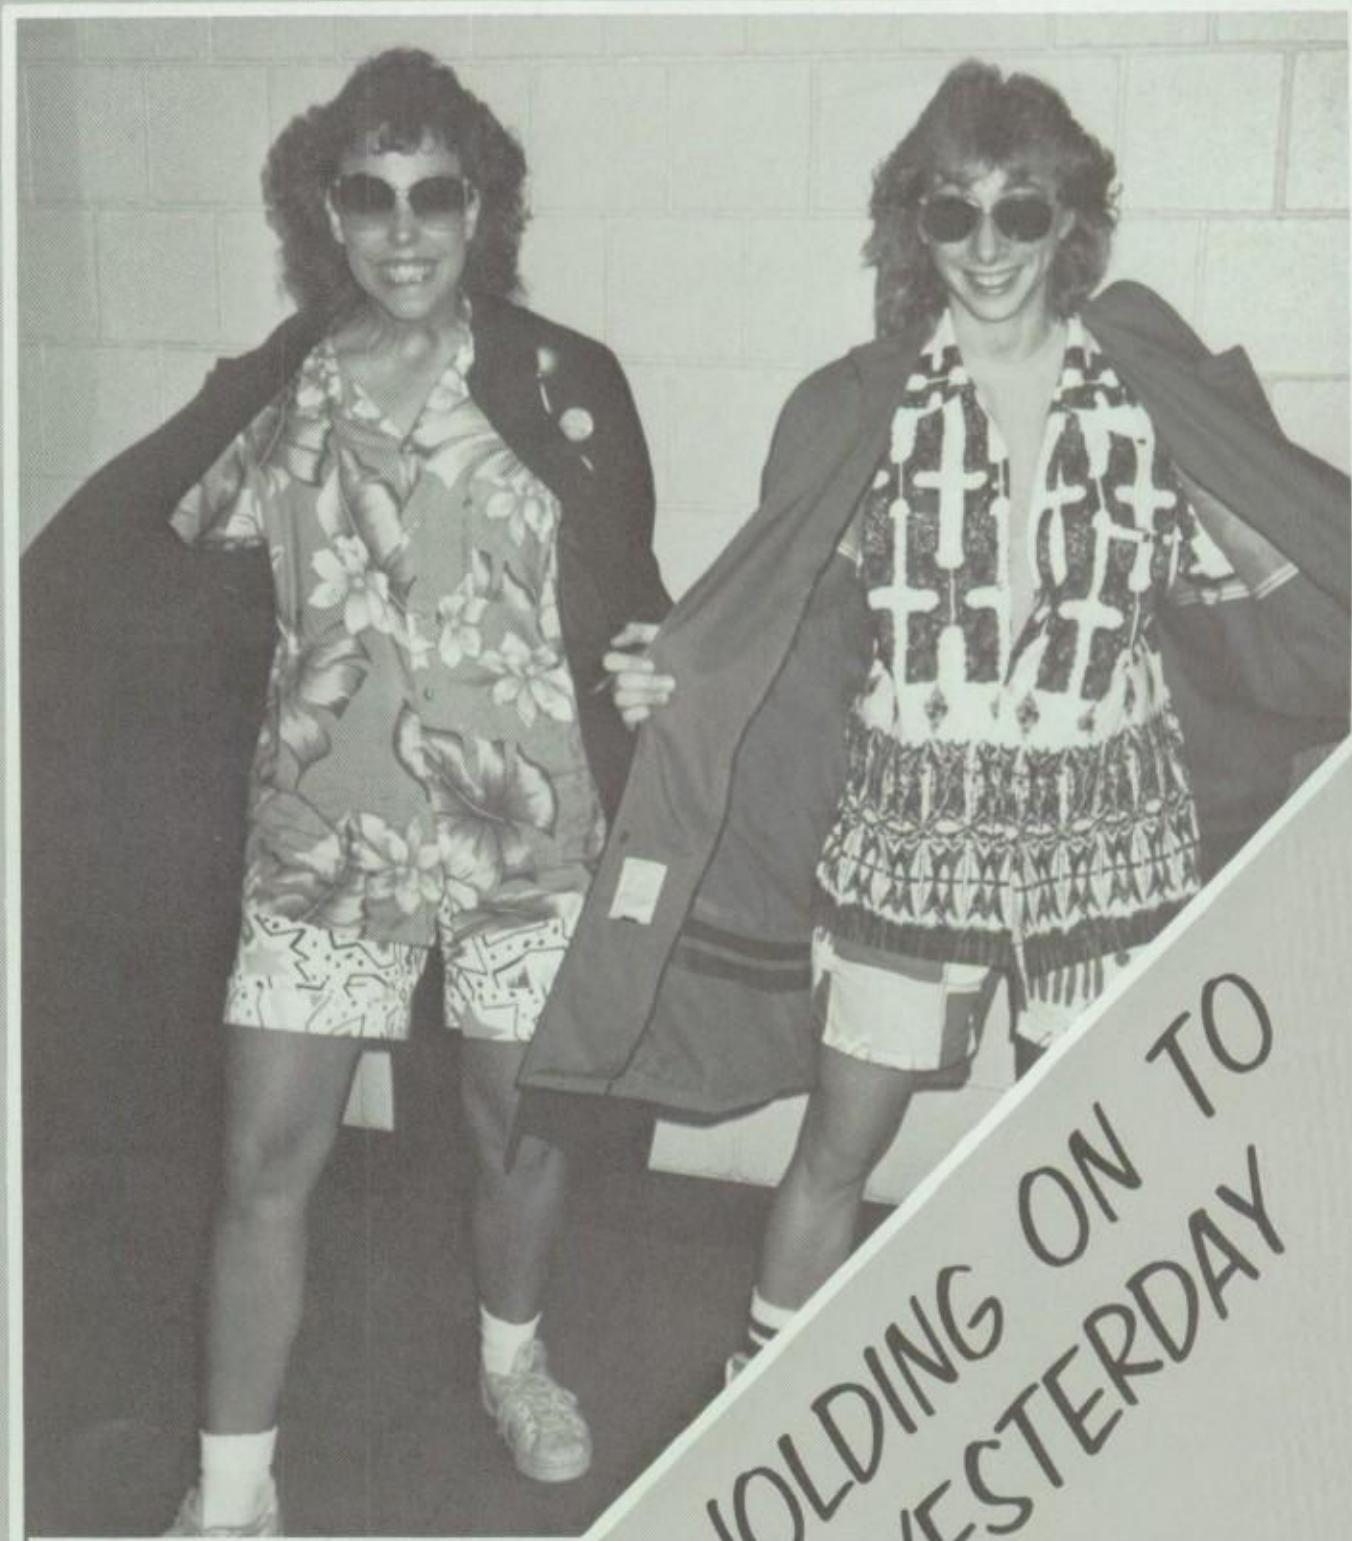

Love is the smile of a friend,  
A helping hand  
Or when someone says,  
"I understand,"  
It's that compliment you give  
When someone's feeling sad,  
Or that bit of advice  
When troubles come on bad.  
It's the touch of a hand,  
But most of all,  
It's helping out someone  
When they feel small.

## CLASS MOTTO

At first we were strangers, bound together by luck.  
Then gradually, painfully, happily, we became one.  
A class all of our own.  
We shared our hopes and our fears,  
Our laughter and our tears,  
And our failures and successes,  
But through good times and bad,  
Joyful times and sad,  
We all kept that one thing in mind;  
Friendship.

## SCHOOL DAY MEMORIES

As we reach out our hand  
The diploma we grasp,  
While we think of the memories  
Of the years in the past.  
Tears fill our eyes  
Because it's all gone,  
We're starting a new life,  
We have to move on.  
We hope friends will keep in touch  
As the years pass us by,  
Although it hurts inside  
We'll try not to cry.  
We think of kindergarten  
And our first day,  
Now we've reached the end  
We are going away.  
How do you say good-by  
To friends who mean so much?  
Will there be time  
To sincerely keep in touch?  
You'll always have the memories  
Of your school years from day one,  
Don't think of school as ending-  
Think a new life has begun.

# INTRAMURAL BASKETBALL

AHS 1986-87 sports season began way back in August when the football and volleyball players began to practice for the up coming season. Despite many injuries the entire football team had a superb season once again regaining the Central Gopher Conference title.

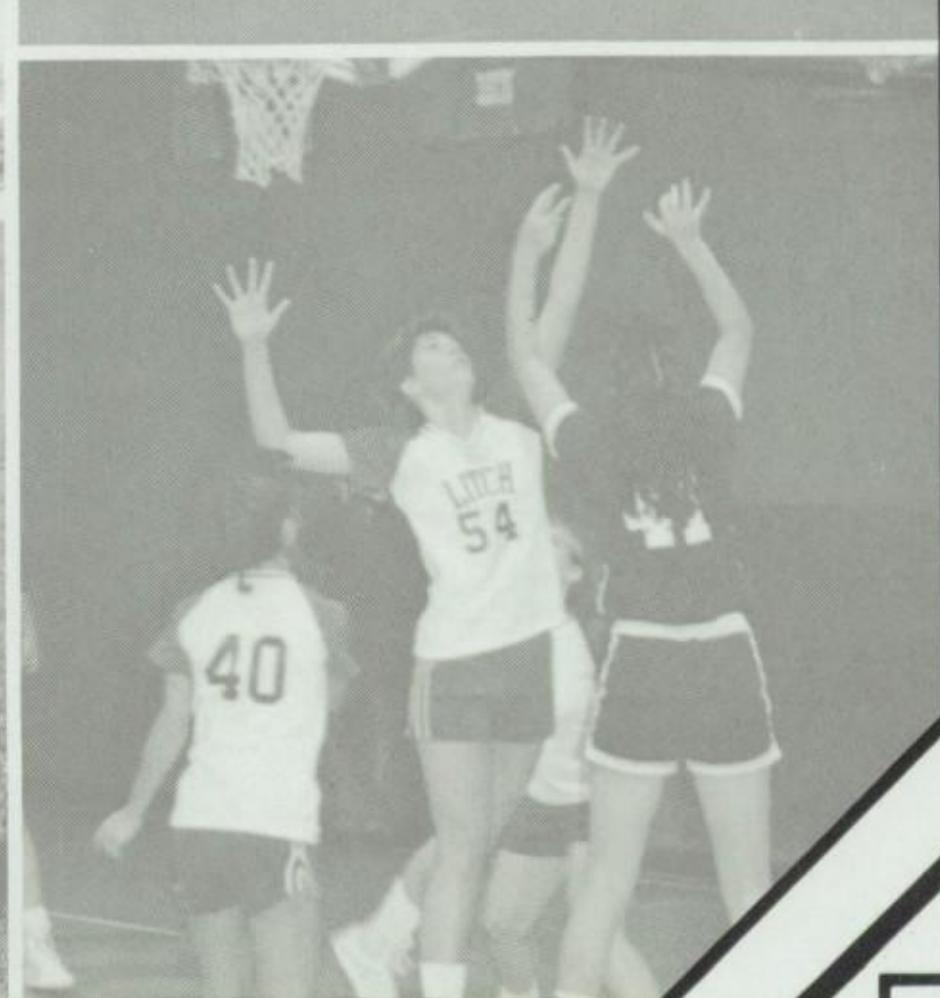

Each year the volleyball team is gaining confidence and respect as a team. Although the season did not go as well as some wished the girls still managed to enjoy the sport they were playing.

The basketball teams were showing signs of improvement this year. There were several close games which were unfortunately lost, but who's counting? Each team member should be congratulated for his or her dedication.

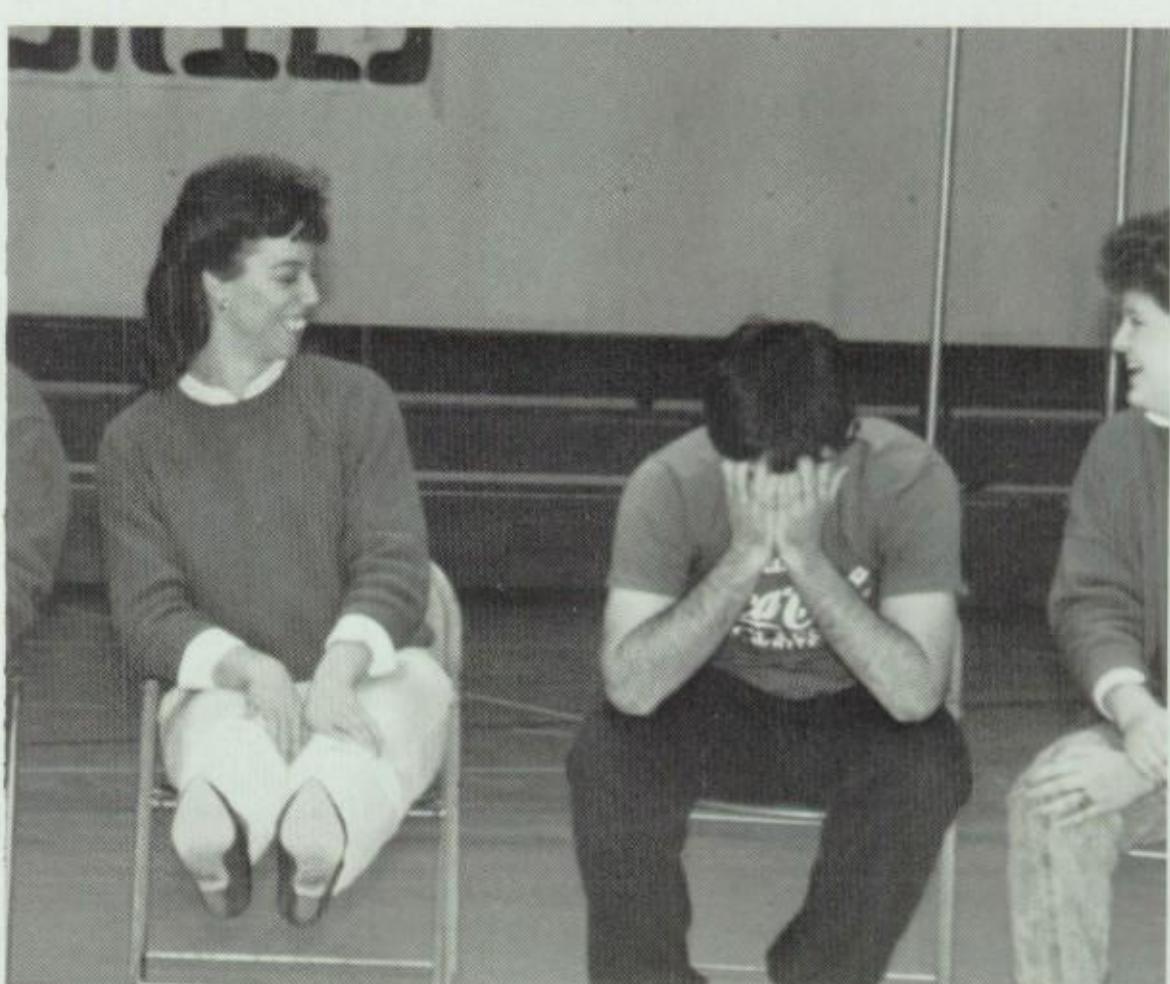

The wrestling team has had a fairly successful season considering how young the team is. Each member should be proud of the hard work and time spent practicing.

Intramural has gained popularity at AHS this past year. This was an unusual sport to watch. Since it was apparent that each player needed to have three things in mind: 1) Having fun 2) self-defence 3) SURVIVAL!!!

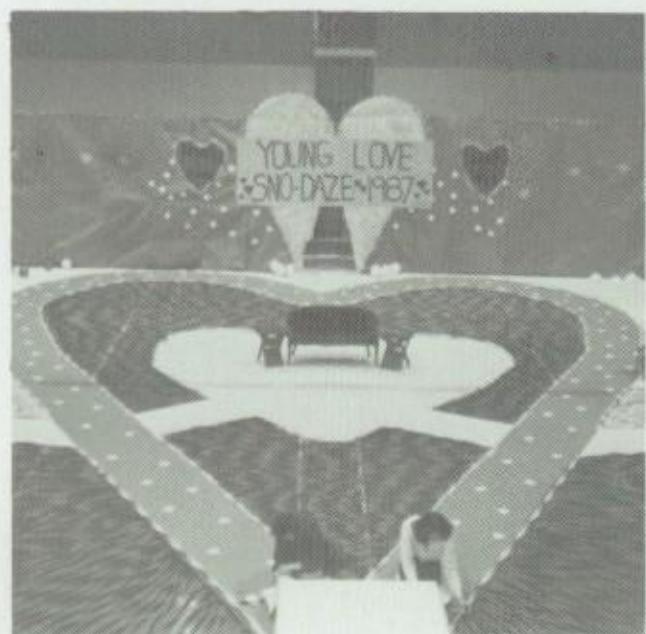

The dedication of team members in spring sports could be seen throughout the year. They were seen either working out outside or inside of school.

Advisor: Mary Jackson

The Annual Staff consists of many dedicated and creative students who spend a lot of their time working on pages in order for A.H.S. students to have a yearbook in the spring. Many students do not realize how much work goes into making a yearbook. Pages must be carefully designed, copy must be written and typed, pictures must be taken and cropped, and most of all *Deadlines* must be made. The staff realizes how much memories mean to the students and we try to make a unique book where the past year's memories can be kept forever.

Students who are good in certain areas volunteer their help during studyhalls and after school. Through this system, students are provided the extra help that teachers do not have the time to give.

# KNOWLEDGE BOWL

The newest organization this year is the Knowledge Bowl. Knowledge Bowl consists of ten students who make up teams of five players each. They attend weekly matches on Wednesday nights where they are asked questions of all topics. Knowledge Bowl provides a student with the chance of showing their academic achievements outside of school. They go against neighboring schools such as Litchfield, Melrose, Sauk Centre and several other schools. The advisors are M.K. Grabmeier and R. Stenlund.

Many individuals and small groups have participated in state and district contests. The choir has also been busy with fund raisers such as raffles, a car wash, and a spaghetti dinner.
